This is an agreement between Dr. Cary S. Kaufman and the Patient named on this form.

In this agreement the words "you," "your," and "yours" mean the Patient. The word "account" means the account that has been established in your name to which charges are made and payments credited. The words "we," "us," and "our" refer to Dr. Cary S. Kaufman.

By executing this agreement, you are agreeing to pay for all services that are received.

Monthly Statement: If you have a balance on your account, we will send you a monthly statement. It will show separately the previous balance, any new charges to the account, the finance charge, if any, and any payments or credits applied to your account during the month.

Payment options if you have insurance:

1. You provide all necessary and valid insurance information, we will bill your insurance for you and bill you for any remaining balances. You will pay all remaining balances you are billed for within 30 days of the first statement date.
2. You choose to pay your copay/deductible of \$_____ and any out-of-pocket portions at the time services are rendered by ___ cash, ___ check, or ___ credit card.
3. You choose to pay all of your treatment by ___ cash, ___ check, or ___ credit card. We will request your insurance carrier send their payment directly to you.

Charges to Account: We shall have the right to cancel your privilege to make charges against your account at any time. Future visits would then need to be paid at the time of service.

Insurance: Insurance is a contract between you and your insurance company. We are NOT a party to this contract, in most cases. We will bill your primary insurance company as a courtesy to you. Although we may estimate what your insurance company may pay, it is the insurance company that makes the final determination of your eligibility. You agree to pay any portion of the charges not covered by insurance. If your insurance company requires a referral and/or preauthorization, you are responsible for obtaining it. Failure to obtain the referral and/or preauthorization may result in a lower payment or nonpayment from the insurance company. In the case of reduced payment or nonpayment due to lack of referral you agree to pay all charges in full.

Finance Charge: A finance charge will be imposed on each item of your account which has not been paid within thirty (30) days of the time the item was added to the account. The **FINANCE CHARGE** will be computed at the rate of one (1%) percent per month or an **ANNUAL PERCENTAGE RATE** of twelve (12%) percent. The finance charge on your account is computed by applying the periodic rate (1%) to the "overdue balance" of your account. The "overdue balance" of your account is calculated by taking the balance owed thirty (30) days ago, and then subtracting any payments or credits applied to the account during that time.

Credit History: You give us permission to check your credit and employment history and to answer questions about your credit experience with us. We have the option to report your account status to any credit reporting agency such as a credit bureau.

Returned checks: There is a fee (currently \$25) for any checks returned by the bank.

Missed appointment fee: The second time a patients does not show up on time for an appointment, or cancels with less than 24 hours notice, a \$20 fee will be charged. This fee must be paid before a new appointment is scheduled. Patients with three missed appointments will be asked to transfer their records to another doctor.
